

It's pros like Mateo who make FRC the sweet spot for developing your game.

Run into Mateo Dalla Fontana in the checkout line at Schnucks or Dierbergs – or his favorite watering hole – and he'll ask you all about that new serve you're working on. In minute detail.

Even Mateo's colleague Lance Vodicka, who's still thinking hard about the pro tour, is all about YOUR game when he's around the club. *(We can't say if Lance will be around much. But he could be at the Pro-Am potluck on June 26 – perhaps as your partner . . . Don't risk missing that chance. Call the club and reserve your spot now.)*

Plus your friends' games. Your spouse's game. And, especially, your kids' games.

From clinic to clinic, week to week, year to year, our pros get to know your whole game very well – **your** strokes, **your** strategy and what **you** need to get to the next level.

So, steadily, you're learning new skills and using them in your games. And **getting** to that next level. But mostly, you're having fun and getting a great workout with your pals.

And that's what makes Frontenac, well, Frontenac. Even when we're playing at Burroughs.

In the summer, the action moves to John Burroughs School.

Looking for tennis this summer? Frontenac pro Mateo Dalla Fontana's got game. And clinic - with the same drill-and-doubles instructional style you've come to expect from FRC all winter.

So check out this handy guide - get in touch with Mateo - and get playing this summer!

Programs for women.

Drill & Doubles. Get your heart rate up with fast-paced drills that move you on the court. Find answers to tough strategy situations - from the Endless Lobber to that skinny blonde who returns your serve short and angled - and much more.

Plus, you'll practice the fixes and patterns 'til they're second nature. So in a game, you won't be trying to remember what to do. You'll just cover the shot - and see the reaction of Miss Short Shot as she realizes she'll need a few new tricks herself.

Clinics meet for 1 1/2 hours weekly for eight weeks; tuition is \$200. Limit ten players/group.

Choose the group that works for you:

Tuesday mornings, June 8 - July 27, 9:30 - 11 am;
Thursday mornings, June 10 - July 29, 9:30 - 11 am;
Tuesday evenings, June 10- July 27, 6-7:30 pm.

**Or NEW! Early Birds, 6 weeks, \$250.
Advanced strategy for current Interclub players.**

Programs for men.

Drill & Doubles. Same vigorous drills and great strategy as the indoor season, plus fresh air and sunshine. 8 weeks, \$200.

Tuesday nights, June 9 - July 28, 6-7:30 pm.

Match play - FREE all summer!

Thursdays, 6 pm (open play), singles or doubles.
Sign up week to week, with at least a day's notice.

Plus, the first annual FRC Summer Pro-Am Potluck!

Bring a dish or a drink to share - and that's your admission . . .

We'll pair you up with a Frontenac pro, and the two of you will take on other pairs of members and pros on the beautifully landscaped Burroughs campus. Who will win? Who will hit the shot of the night? (Who will **drink** the shot of the night?)

Friday, June 25 at John Burroughs School.

Now, do the math - we only have as many slots as we have pros. So sign up NOW - you don't want to get locked out.
