Chris Ward, a tennis instructor at Frontenac Racquet Club, will supervise this year's tennis camp, to be held indoors at Frontenac Racquet Club.

Chris will be joined by his brother, Terry, a four-year member of Marquette High School's tennis team, as well as other high school and college-aged counselors. The camp is designed to work on the basic tennis skills necessary to develop into a high-school-level player. Special attention will be given to proper grip, early stroke preparation, proper swing patterns and ball control.
